Psalms 4:5 Offer the sacrifices of righteousness, and put your trust in the LORD.

1 - Meditate In The Word

Get a grip on your ungodly thoughts and change your mood to one that pleases God by meditating in the word of God.

Then use the faith you develop to fight off fear and distress when you need to.

2 - Pray The Word Back

Cultivate your faith by speaking the word of God against or for situations to defeat wickedness and to bless others as well as get blessings from the Lord.

3 - Fast From Distractions

Block all worldly distractions and ignore the cares of the world to keep deep focus and dedication to the word of God.

And increase the efficiency and effect of your meditation and prayers substantially.

4 - Go To Church

Assemble yourself together with the people who also believe the word of God and come together with combined faith and strength to give gratitude to God, save the poor and bless the faithful much more effectively.

5 - Offer The Tithe

Give to God what is rightfully His by tithing and watch as He out blesses you in return making you able to give even more for the good of the kingdom of God as you and your loved ones enjoy the benefits as well.
