Have You Still Not Been Speaking The Word Of God?

By David Hopkins

If you're a normal person, you probably don't consider the word of God as much as you should.

You probably put worldly ambitions before the word of God.

Then you might fit the word of God in after that.

You probably pursue education, studying and learning other stuff instead of the word of God.

You probably pursue worldly entertainment which is corrupted, without considering entertainment from the incorruptible word of God.

You probably don't include the word of God in your everyday conversations since no one seems interested outside of church.

Psalms 96:10 Say among the heathen that the LORD reigneth...

And you probably don't ask for His assistance as often as you should, preferring instead to rely on your own ability.

These are the biggest challenges facing anyone who wants to honor God and live righteously.

This is also why we lose the battles we should win.

And the reasons we're losing the war with the devil and his desire to fit God into a non-spiritual and selfish world, based on popular opinions and immoral rights.

He has us afraid to speak the word of God by dissociation, that way no miracles manifest.

Genesis 1:3-4 And God said, Let there be light: and there was light. And God saw the light, that it was good...

In other words, we're losing the real fight considering we don't execute what God gave us the power to create: speak reality into existence the same as Him.

You can't obey God without putting His words above the words which contradict His word.

The devil has us stuck fitting in and following trends, but spiritually speaking this is an attempt to trick us into destroying others while destroying ourselves.

This is serious business.

And some Christians are fighting the wrong battle.

Preferring to argue with each other over scriptures.

When the real fight is in the words that come from our mouths.

Let the word of God come out of your mouth.

Meditate on the word and repeat it without fear of what anyone else believes.

Psalms 46:10 Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.

God doesn't care if He offends an unbeliever with His mercy and truth.

Especially since the unbeliever will say whatever vile words come to their minds without fear.

He'll curse you and your kids right in front of your face.

They don't care what you believe.

Your life and your family's life are way too important not to keep speaking the word of God.

Don't let the devil shut you up.

And if you're afraid to speak the word of God now, how will you defend the word of God when they bring in the laws to persecute Bible believers.

Will you just quit and let the antichrist rule you?

In fact, this should upset you in a positive way.

Enough to speak the word of God to release His awesome power in your life.

Reading the word by itself is not enough.

I'm still learning to practice this more myself.

We also must speak the word of God boldly and without fear.

Proverbs 16:23 The heart of the wise teacheth his mouth, and addeth learning to his lips.
