

Do You Trust The Lord With All Your Heart?

By David Hopkins

Five Sacrifices Of Righteousness To Put Your Trust In The Lord.

Psalms 4:5 Offer the sacrifices of righteousness, and put your trust in the LORD.

Step # 1 Meditate On The Bible

Creating time to meditate on the Bible is the most important thing to do for anyone who wants to put their trust in the lord.

Proverbs chapter 2 explains how wisdom and knowledge are from God and when you get wisdom in your soul how discretion will keep you from the strange woman and the evil man so you can walk in the way of good men and keep the path of righteousness.

Step # 2 Pray To God Always

The Bible says acknowledge God in all your ways and He will direct your paths.

You might need to break the common misconception of always being on your knees behind closed doors to pray.

Jesus said "And I knew that thou hearest me always: but because of the people which stand by I said it, that they may believe that thou hast sent me." while praying in public. (John 11:42).

And we know Jesus was able to get whatever He asked for in prayer.

Because every miracle Jesus ever performed was prayer based.

Step #3 Fast From Food and Water

Fasting is hard but it's awesome for anyone trying to put their trust in the lord because it allows you to focus on the word of God more intently.

I mean, fasting really gets you tuned in.

It's like an enhancer for your Bible studies and prayer times.

The word of God supernaturally becomes more clearer to you when you study and prayers get answered faster without a doubt.

Step # 4 Go To Church To Unite

Do you have bad experiences with other Churches?

Have you stereotyped every Church because of that?

Do you think that's the only Church that you could possibly go to?

Have you tried any other Churches so you can compare for yourself?

Now read this [Why Go To Church](#) article to find out why you should go to church.

Step # 5 Tithe Belongs To God

It's an honor to give ten percent of your increase for the good of the kingdom of God.

It takes care, discipline, management, consideration and planning, all the things a faithful servant does to touch the heart of God.

But let's see.

We know all things belong to God, God has no physical need for money, and no one can out give God.

But money can certainly be leveraged in favor of saving souls and feeding the poor and needy.

You can trust God by putting Him in control of your finances.
